Once you arrive at the Therapy Centre, you are allowed to park in parking bays number 73 – number 84. You will have to display a permit which you will find upstairs in the Therapy Centre on the second floor. You can use the Urban Angel leaflets which are located on top of the grey unit opposite the toilets. If you display this leaflet in your car, this will act as the permit.

There is parking off site just before the entrance gates with ticket machines.

There is no one in reception. You will have to input a code at the main door downstairs to gain entry to the building. This code is **731882**.

There is a lift which will take you to the second floor. Jane Collinson will be there to meet you at 8.30 am.....her contact number is 07719 60002.

You are booked in to Topaz treatment room ....turn right out of the lift and walk straight until you reach Topaz.
